Full job description

Join the Michel Dental Adventure!

Welcome to Michel Dental, where dentistry meets excellence, warmth, and a touch of fun! We're not just about healthy smiles; we're about creating a positive, vibrant environment for our team and patients.

About Us:

Michel Dental is your go-to for top-notch dental services in Silver Lake and Topeka. Our approach involves turning patients into active partners in their treatment plans, backed by a commitment to oral health education. We cover everything from preventive to cosmetic dentistry, all in a comfortable setting with a friendly team.

Our Core Values:

Honesty, Caring, Teamwork, Excellence, Welcoming, and Relationships – these aren't just words; they're our way of life. If you're as passionate about these values as we are, you're exactly who we're looking for!

A Day in the Life of a Dental Assistant at Michel Dental:

Picture this – interactive morning huddles, a dynamic team of 23 professionals, and caring for patients of all ages. With high-tech equipment and a paperless, digital office, you'll be part of our dental family, treating each patient uniquely.

This Role is For You if You:

- Love working in a fast-paced, dedicated team environment.
- Thrive on making a positive impact on people's lives.
- Enjoy the variety of patients seeking different dental care.
- Can't resist the opportunity for continuous learning and growth.
- Are a communication whiz with both patients and team members.
- Demonstrate a positive attitude, attention to detail, and organization.

This Role is Not For You if You:

- Prefer working solo over being part of a team.
- Are uncomfortable being close to a diverse group of people daily.
- Prefer working behind the scenes rather than directly with people.
- See this as just a job, not a career.
- Resist change and find it uncomfortable.
- Lack trustworthiness in your work ethic and performance.

What Winning Looks Like:

We've got your back! We support your success with weekly reviews, ongoing training, and a focus on metrics like sterilization protocols and treatment case acceptance. Plus, expanding your dental skills is all part of the winning package!

Deal Breakers:

No experience in dentistry? Unfortunately, that's a deal-breaker for us. We do require 3 years of 4-handed dentistry experience. Not willing to be a team player? That won't fly here.

What's Next?

If this sounds like the PERFECT fit for you, apply today! We take our culture seriously, and when it's right, it's right. Join us at Michel Dental for a daily adventure with a fantastic group of cool people who strive for excellence. Let's make dentistry not just about appointments but about creating smiles and memories! #MichelDentalTeam #JoinOurAdventure
